Judges 13:1-25 August 16, 2009

1. *What was Samson’s mother’s name? Have you thought that God may use you, but not have the “fame of the name? Why is she unnamed? How would you feel?*

2. *Does God have a sense of humor? Look at this man and his wife—can you see the “hint of humor” in their interaction? What does this say to us about our Lord?*

3. *How do you raise a miracle? What are some of the issues for Samson’s parents in raising him? Could there be problems in caring for a “special” boy? Like what?*

4. *Whose faith counts? Samson was a “Nazarite from birth”; what about his decision? Can there be a problem in a Christian family in leading our children to Christ? How can we help them to know Christ for themselves?*
