**TRUTH → Consequences!**

**GRACE → *In The Grind!***

***Judges 16:1-20 September 6, 2009***

**1. Fly higher—Fall Farther! Pride and overconfidence can open the door to destruction! Where do you feel that you're strongest? Could this be turned into a trap?**

---

---

---

**2. What do you know about love? Samson "loved" Delilah, his only "love." What does this tell us about Samson? How can this help me when I think of "love"?**

---

---

---

**3. Three strikes and—you're out! Samson saw Delilah try to take his strength three times! Why didn't he catch on? What can I learn from Samson's bad example here?**

---

---

---

**4. The Spirit departed—he did not know! Today the Holy Spirit doesn't depart, but He can be quenched or grieved. How am I living with the Lord? What am I doing to be sure I hear Him, trust Him, and obey Him?**
