TRUTH → Consequences!

GRACE → *In The Grind!*

*Judges 16:21-31 September 13, 2009*

1. *‘Ever had everything fall apart? Or wonder how God could get **anything** good out of the mess? How **does** Samson’s situation help us to **consider** God’s purpose?*

---

---

---

2. *Why wait for his hair? Samson was **humbled** while his hair grew—maybe a **month** plus. What **happened** then? Does God give “time out” to **work** through some issues?*

---

---

---

3. *There were **two** problems to deal with! Samson’s **shame** and God’s **glory**. Why would the LORD **care** about His **name**? What **might** we have to **do** to **glorify** Him?*

---

---

---

4. *God “refits” His failures! Satan says “You’ve **blown** it; give **up!**” What do we **see** God **saying**? We need to **take** two lessons to heart: 1) Better **NOT** to fail! 2) **Failure** is not **final**! Where are you? Are you **ready** for a “refit”?*
