CONCLUSION:

**God Provides—But We Seek What We Want!**

**TRUTH ⇒ Consequences!**

**GRACE ⇒ In The Grind.**

*Judges 18:1-31 September 27, 2009*

1. *What happens when leadership disappears? One of the consequences is that each one's **desire** becomes the **rule** for all! Who shapes my choices? Who leads me?*

---

---

---

---

2. *What happens when we make our own gods? When we **choose** to serve **ourselves**, what are the **results**? How do we see this **applied** in our society and our **culture** today?*

---

---

---

---

3. *What does God bless? God **blesses** when we seek His **will**, His way, through His **Word**. What can I **do** to be sure I **decide** God's way and **not** just my own?*

---

---

---

---

4. *Does a "happy ending" mean that God was pleased? If our plans **work out** the way we **want**, does that **mean** that God has **approved** what we've **done**? Is it **possible** to win on **earth** and lose in **heaven**? How can we **avoid** this?*
