Judges 19:1-30 October 4, 2009

1. *What happens when “freedom” reigns? We like to be free from restraints—but what happens when the rules go away? Who is most affected? Is it “fair” for all?*

2. *Who suffers the most when law fails? In our world today, what group is hit hardest by lawlessness? How do we protect those who cannot protect themselves?*

3. *Why doesn't God DO something? What might be some reasons that God didn't judge Gibeah like Sodom and Gomorrah? What might be God's plan in Judges 19-21?*

4. *Judges 18 had a “happy ending”. What does Judges 19-21 tell us about the impact of leaving God and choosing your own way in life? How can we help ourselves and the “next generation” hold tightly to God and to His Word?*
