Psalm 28; Isaiah 40: John 10 October 25, 2009

1. Feel like you're a little short on protection these days? Today's world doesn't make it easy to feel secure! What are some things that make you wonder about the future?

2. What would it take to bring peace to your life?! Win the lotto? A clean bill of health? How about God taking a personal interest in you life—wouldn't that help?

3. God presents Himself as our Shepherd. What does that mean? How does that change the way we see Him in our lives? How can this give me—and others--comfort?

4. What do Christ's words tell me about my eternal future? How is Jesus the Good Shepherd? What has He done to secure my place in heaven? What would it take to make me lose that place? Could I do it by a bad decision?
